

Philadelphia Boys' Gymnastics
Summer 2020
A competitive program in the USA
Gymnastics Jr. Olympic Program
<www.philadelphiaboysgymnastics.org>

The primary purpose of this program is to provide Philadelphia-area youth with a quality training and competitive experience in boys' gymnastics, within the framework of the USA Gymnastics Boys' Jr. Olympic Structure. The secondary purpose is to support the Temple University Men's Gymnastics Team. Our facility is in the 4700 Wissahickon Avenue industrial complex (building L, suite 203) in the Germantown section of Philadelphia. See our website for directions and a map.

In the case of two or more from one family, after the first child, each additional child will receive 10% off the training fee. The training fee is due the first week of each month. If the fee is not received by that time, a **\$10 late fee** is charged per family for level 1-2, **\$25** for level 3 and above. A **\$110 once-per-year registration fee** is due with the team application form July 1-Dec 31 (reduced \$15/month after Jan 1). Fees are paid by cash, check, money order, Venmo, Cashapp, Zelle or credit card (3% added for cc). Any family paying for 6 months at one time receives 3% discount from the 6-month total.

Season calendar and activity costs (September-May):

The competition and activity calendar will be determined by the coaching staff prior to the start of each season. We plan to enter up to 10 meets each season and will send those who qualify to the various season-ending meets. Expenses for these meets and activities (travel, housing, food, entry fees, competition uniforms) will be covered by individual families and the Parents' Association (see below). **Note: These costs can total \$1000+ per season for each gymnast.**

PBG Team Parents' Association:

All families will be required to help with the **PBGTPA**. We conduct the **Fred Turoff Invitational** each February/March which helps defer activity costs for individual families. The president will contact any new family to give necessary information.

For information, contact Fred Turoff at 215-204-7452 or <fturoff@temple.edu>.
